

***Suffolk County Septic Haulers Information Portal (SHIP)
Mandatory Reporting Requirements***

November 15, 2018 from 6 pm to 8 pm

Continuing Education Credits towards your liquid waste license renewal will be provided.

Location: Suffolk County Department of Health Services
First Floor Auditorium
360 Yaphank Ave
Yaphank NY, 11980

Description

In December of 2017, The Suffolk County Legislature passed changes to Article 6 of the Suffolk County Sanitary Code. These changes require that septic industry activity, such as pumping and repairs of existing systems, be reported to the Suffolk County Department of Health Services. This meeting will unveil the Departments new database portal and train the industry on how to comply with these new requirements. This meeting is being offered free-of-charge. Continuing Education credits towards your liquid waste license renewal will be provided.

- Please see reverse side for registration form –
